

## Suzie, what do you do when your parents are at home?

If my parents \_\_\_\_\_ (stay) at home, I \_\_\_\_\_ (have to) help with the housework.

When my mother \_\_\_\_\_ (work) in the garden, I usually \_\_\_\_\_ (help) her.

When my father \_\_\_\_\_ (not work) in the evening, we \_\_\_\_\_ (play) some board games.

## And what do you do when your parents are not at home?

When my parents \_\_\_\_\_ (not be) at home, I \_\_\_\_\_ (not do) any housework.

When the weather \_\_\_\_\_ (be) nice, we \_\_\_\_\_ (go) to the park with my friends or we \_\_\_\_\_ (meet) in our garden and \_\_\_\_\_ (play) together.

When the weather \_\_\_\_\_ (be) awful, I just \_\_\_\_\_ (chat) with my friends or we \_\_\_\_\_ (play) on-line games.
