OLIVIA	Hey Art...What's the 1. <u>matter/problem</u> ? You look 2. <u>awful/sad</u> . And what's that on your nose?
ARHTUR	You won't believe it... I 3. <u>feel/fell</u> at work, I fell face down off my chair. It was so embarrassing...
OLIVIA	You fell? 4. <u>Were/Was</u> you sick? What happened?
ARHTUR	It's ridiculous. I fell asleep! The truth is, I'm exhausted! My work 5. <u>week/weekend</u> is killing me.
OLIVIA	Really? Is it that 6. <u>good/bad</u> ?
ARHTUR	Well, it is for me. I know thousands of people have 7. <u>similar/different</u> routines, but honestly, I can't take it any longer.
OLIVIA	What's wrong exactly?
ARHTUR	I wake up 8. <u>early/late</u> to go to work and spend hours stuck in traffic every 9. <u>morning/day</u> . Then I work like a 10. <u>cat/dog</u> . When I get home it's almost time to 11. <u>go to bed/have a shower</u> . I don't have any free time, I miss my friends, you know...
OLIVIA	Well, I miss you 12. <u>too/two</u> ! Everyone is complaining they never see you anymore!
ARHTUR	And today was even worse, I spent three and a half hours 13. <u>driving/diving</u> ... I'm exhausted! My 14. <u>head/hand</u> is exploding, my back hurts, even my legs 15. <u>hurt/hurts</u> ! I need a break.
OLIVIA	You need to change that, Arthur! Why don't you leave 16. <u>home/house</u> at a different 17. <u>hour/time</u> ? There's less 18. <u>traffic/transit</u> if you leave a bit earlier than everybody else.
ARHTUR	It's not that easy. If I leave earlier I feel really 19. <u>sleep/sleepy</u> all day long, it's not very productive.
OLIVIA	I can see that. Not productive and dangerous.
ARHTUR	And if I wait and 20. <u>leave/live</u> a bit later, I arrive too late and my boss complains...There's no way out.
OLIVIA	You definitely need to do something about it. You can't continue 21. <u>living/leaving</u> like that. You 22. <u>could/should</u> find some time to do something that makes you feel 23. <u>good/great</u> , something that relaxes you.
ARHTUR	I 24. <u>know/no</u> . But I'm too tired to 25. <u>think/sink</u> about it...I think I need help.
OLIVIA	Um... You 26. <u>should/could</u> do yoga...
ARHTUR	I don't know. I guess I'm not 27. <u>patient enof/enough</u> to do yoga.
OLIVIA	Well, that's the idea. You do it because you're 28. <u>patient/impatient</u> and anxious and need to relax.
ARHTUR	Maybe...I'll think about it
OLIVIA	I have yoga today at 29. <u>8/6</u> . Why don't you join me? I can pick you up at home so you don't even need to 30. <u>drive/ride</u> . Arthur, are you there?
