I can see myself being an \_\_\_\_\_. I really enjoy drawing, designing and being creative. Also, I love the idea of making something real. I would most certainly need a \_\_\_\_\_ and I would probably have to study for 7 years. I \_\_\_\_\_ **that** it would be quite competitive and challenging to find a \_\_\_\_\_. However, it is a \_\_\_\_\_ and \_\_\_\_\_ - **powered** job. I suppose it's not like a usual \_\_\_\_\_ to \_\_\_\_\_ job as I would be free to work from home and in my own time. At some point I would be expected to work with others which is easy as I'm a real \_\_\_\_\_.
