A day in the life of an animal

Today I woke up early, at 5:00 a.m. First, I drank some water. Then the farmer came and took the milk. I gave the farmer a kick – ha, ha! I enjoyed that. After that, we went outside. It was a terrible day – very rainy. We went to the field. I talked to my friends, but they didn't say anything interesting. Later, I ate some grass. Finally, it got dark, and we all went home. It was the same as every other day, really!
