

Vapor

A) weather B) hit C) breathe D) line E) waste F) veins G) truce H) lie I) words J) pavement K) aim L) quit

I'll take what you got, got, got
I know it's not a lot, lot, lot
Cause I just need another 1) _____
You're the thing that I can't 2) _____
You got what I want, want, want
Here and then you're gone, gone, gone
If you told me that we were through
You know that I would break the
3) _____

Chorus

I want to 4) _____ you in like your
vapor
I want to be the one you remember
I want to feel your love like the
5) _____
All over me, all over me
I want to print our hands in the
6) _____
Savour your 7) _____ I won't ever
8) _____ them
Look in your eyes and know just what you
miss
So lie to me, just lie to me

So talk, talk, talk
Well tell me what I want, want, want
If I don't look into your eyes
It's almost like a perfect 9) _____
So don't stop, stop, stop
We'll take another shot, shot, shot
'Cause you know you got perfect
10) _____
I wanna feel you in my 11) _____

I wanna breathe you in like your vapour
I want to be the one you remember
I want to feel your love like the weather
All over me, all over me
I want to print our hands in the pavement
Savour your words, I won't ever waste them
Look in your eyes and know just what you
miss
So lie to me, just lie to me

Bridge

You sound so sweet
When you 12) _____ to me
Make you sound so sweet
When you lie to me

Chorus

Bridge
