My name is Valerie Martinez. I'm 25 years old and I am catholic. My birthday is the 5th of January. I'm a secretary at Franklin High School. I was born in Sacramento, California and I live in Stockton, California, at 2718 Louis Ct., zip code 95203. I live there with my husband, his name is Carlos Fernandez, and our anniversary is the 8th of June. My school is University of the Pacific (UOP), I studied at that college. I studied languages and learned to speak Spanish, English, French and German. I like reading in all languages, one of my favorite books is called A Thousand Splendid Suns. When I have spare time, I also like to watch movies, one of my favorite movies is Forest Gump, especially when he says "Life is like a box of chocolates, you never know what you're going to get." I also like watching Bones and Friends on television. On weekends, my husband and I go to clubs, we like to listen and dance salsa and hip hop. When we're tired, we don't go out; we just play poker or monopoly. I think everyone should enjoy their life like we do, like my grandmother used to say "Life's too short to be sad."
