	<p>Hi. My name is Jagruti. I am nine years old. I live in India. I have one sister called Hima. She is seven years old. My dad is a maths teacher. My mom loves cooking and singing. Hima and I have to go to school in the morning. After school we have to do our homework and help clean the house. I prefer sweeping and Hima prefers doing the dishes. On Wednesdays we usually go to dance class. I love dancing. We like watching Bollywood movies on Fridays. I try to copy the dancers in the movie.</p>	<ol style="list-style-type: none"> <li>Jagruti is the <b>big</b> / <b>little</b> sister</li> <li>Jagruti's dad is good at <b>numbers</b> / <b>art</b>.</li> <li>Jagruti's <b>dad</b> / <b>mom</b> likes cooking.</li> <li>Hima likes <b>sweeping</b> / <b>doing the dishes</b></li> <li>Jagruti goes to <b>dance</b> / <b>singing</b> class</li> <li>They watch movies on <b>Mondays</b> / <b>Fridays</b>.</li> </ol>
