ESCRITORIO DE WINDOWS

Instrucción: Coloca y señala las partes del Escritorio de Windows. Arrastra a la posición correcta cada cuadro informativo.

The image shows a Windows 10 desktop environment. On the left side of the desktop, there is a vertical stack of icons: 'Presupuesto Junio 2016', 'Captura windows seguridad', 'Get Started', 'Captura Excel 2016', 'Excel 2016', 'asistente migración', 'www.gcclaprend...', 'McAfee Security Scan Plus', 'Programas', and 'Papelera de reciclaje'. At the bottom, there is a taskbar with the Start button, a search bar, and several application icons. The desktop background is the standard Windows 10 blue logo wallpaper. Four empty rectangular boxes are placed around the desktop: one on the left, one at the bottom left, one at the bottom center, and one at the bottom right. Arrows point from these boxes to specific parts of the desktop: the left box points to the Start button, the bottom left box points to the taskbar, the bottom center box points to the desktop icons, and the bottom right box points to the desktop background. Below the desktop image is a legend with four colored boxes: a red box labeled 'Botón de Inicio', a yellow box labeled 'Iconos', an orange box labeled 'Barra de Tareas', and a purple box labeled 'Fondo'.
