The whole thing **was** really exciting! You should go and see it. It's a great show.

Anyway, I have to go now. My mother is coming for dinner tonight, so I'd better hurry. See you soon.

I usually don't like musicals, **but this one was absolutely brilliant!** The plot was quite straightforward, about a racing competition between three types of trains, but the costumes were **really colourful** and the music was **fabulous**. **The best thing of all**, though, was the choreography. All the performers were on roller skates. They were amazing. They moved very fast and yet not even one of them fell over!

Hi Jayne!
How are you? I just thought I'd write to tell you about the last musical I saw, Starlight Express. Lucy and I went to see it last night and we **both loved it!**

Lots of love
Sophie
