If I were a boy...

If I were a boy, even just for a **day** **way** **may**
I'd roll out of bed in the morning and throw on what I wanted and go
Drink **bear** **beer** **deer** with the guys, and chase **parents** **after** **there** girls
I'd kick it with who I wanted and I'd never get confronted for it
Cause they **slick** **stick** **sleep** up for me

If I were a boy
I think I could understand
How it feels to love a girl
I **swear** **wear** **rare** I'd be a better man
I'd listen to her
Cause I know how it hurts
When you lose the one you wanted
Cause he's taken you for granted
And everything you had got destroyed

If I were a boy, I would turn **of** **off** **over** my phone
Tell everyone it's broken so they think that I was sleeping alone
I'd put myself first and make the **moves** **rules** **shoes** as I go
Cause I know that she'd be faithful, waiting for me to come home
To come home

If I were a boy
(...)

It's a little too late for you to come **sack** **back** **rat**
Say it's just a mistake, think I'd forgive you like that
If you **sought** **thought** **rote** I would wait for you
You got it wrong

But you're just a boy
And you don't understand (yea, you don't understand, oh!)
How it feels to love a girl someday
You **pitch** **wish** **will** you were a better man
You don't listen to her
You don't **care** **cake** **kiss** how it hurts
Until you lose the one you wanted
Because you've taken her for granted
And everything you had got destroyed
