Hello. My name is Sarah. I'm twelve years old and I live in London. I have a big family. I live with my parents and my twin sisters Jane and Sue.

For breakfast I have a bowl of bananas, peaches and strawberries, and some bread and honey. There usually isn't much orange juice in the glass.

I have lunch at about one o'clock. I have a big sandwich with cheese and tomatoes. There's a glass of water too.

At about half past eight we have dinner. We usually eat soup with lots of potatoes and carrots. And I have a glass of milk. Lots of milk.
