Hi Korkem,

How are you? I heard you were looking for a baked potato recipe and I think I've got just the one for you. It's not that hard to make. You need 4 potatoes, 700 ml of milk, 230 g of cheese, 2 tsp of herbs, 4 tbsps of butter and some broccoli. Make sure before you begin to **1) chop/grate** the broccoli up and **2) boil/grate** the cheese. After that, **3) mash/cut** the potatoes slightly with a knife and **4) bake/fry** them in the oven for about 45 mins. While you wait, put the broccoli into a hot saucepan, **5) peel/pour** in the milk, add the herbs and heat until boiling. When the potatoes are ready, take them out the oven and cut them open. Take out their insides and **6) scramble/mash** them together with the broccoli, milk and herbs. Put the mixture back into the potatoes, and **7) season/peel** with salt and pepper.

I hope you like it. Write back and tell me what you think.

Best wishes,
Kanat
