

## 2 LISTENING

**A** **Make predictions.** What classes are shown by the photos? Tell a partner.

**B** **Distinguish speakers.** What class is each man taking? Match each speaker (1, 2, or 3) with a photo. **CD 1 Track 29**

**C** **Listen for details.** Read the choices below. Then listen again. Circle the two true answers in each sentence. **CD 1 Track 29**

- |                |                            |                               |                             |
|----------------|----------------------------|-------------------------------|-----------------------------|
| 1. He's _____. | a. a good artist           | b. majoring in art            | c. taking the class for fun |
| 2. He's _____. | a. working in a hotel      | b. trying to get a better job | c. taking three classes     |
| 3. He's _____. | a. not having fun in class | b. preparing for a class      | c. trying to lose weight    |

**D** **Answer the questions with a partner.**

- Point to a picture above. What class is each man taking? Why is he taking the class? Use your answers in **B** and **C** to explain.
- Are you (or someone you know) taking any of these classes? Why?

### Listening Strategy

#### Make Predictions

Say what you think you will hear based on observations.

He's taking....

He's trying to....
