# Mock Review Activity 1

A. Read the text carefully and circle the correct answers.

Dexter and Dee Dee are brother and sister. Dexter is a brilliant inventor. His favourite subject is Science. He is very good at creating fabulous inventions. He is not good at doing sports. He hates P.E. class. He thinks it's boring. He likes working alone in his lab. He keeps snacks there in case he gets hungry. He never makes dinner because he can't cook very well.

Dexter's sister is Dee Dee, she is very funny and she doesn't like science. She thinks it's difficult. Dee Dee prefers Art class. She can draw beautiful pictures. She also loves dancing and twirling. It is easy for her. She always has cereal and orange juice for breakfast. Her favourite activity is interrupting Dexter while he works.
