A-a-ay, I'm on
Every single day 'cause I love my
A-a-ay, I'm on vacation
If you don't like your life, then you should go and change it

A-a-ay, I'm on
Every single day 'cause I love my
A-a-ay, I'm on
Every single day, every, every single day
Every single day, every, every single day
Every single day, every, every single day-ay

Everybody sour like a lemon tree
I'm just smiling down upon my
Do this shit, and love it on the daily
You say you hate your job, but you'll never , never

But that ain't gonna be me, that ain't gonna be me
My brother called me up, said he saw me on
I said it wasn't easy but right now I'm living breezy
Build this engine from the ground up
Now my hands they ain't so greasy, me?

CHORUS

Illuminate, my future bright, so for everything
Rejuvenatin' my inner light as I work hard for all I need
Open arms, life and all of which you gave to me
Hard work, it pays off, I'm happy now, it's me

Close my eyes, sometimes can feel as if I float away
I love the life I live and enjoy the ride along the
"I make a living out of living, " yeah, that's what I'll say
I've got one life to live, and I wouldn't live it no other way

CHORUS

Van Gogh in my , I can't hear, I'm here though
I may be a weirdo, but this is my year, yo
My life may be crazy, my lack of the lazy
Has let me do shit that I love on the daily

Daily, daily
Get to do this shit I love upon the daily
Daily, daily
Everybody go and live your up

CHORUS
