Hi Mike,

I'm having a terrible week. Poor Mum is ill. She's got the flu and she feels terrible. She had a temperature again today. She coughs all night and she's got a sore throat. I make her hot tea and orange juice so she can get well soon. Dad is feeling bad too. He hasn't got the flu, but he ate too much yesterday and now he's got a stomachache. And that's not all. My brother Jon has broken his arm. He was skateboarding with his friends when it happened. I'm sure he was doing something silly! So Mum is in bed, Dad is lying on the sofa in the living room and Jon is looking for painkillers.

It's seven o'clock now and I have to make dinner for me and Jon. Mum and Dad are too ill to cook. I'm going to make some mint tea for Dad because he shouldn't eat anything today. Mum ate some tomato soup and toast earlier today. Me and John are going to have spaghetti with tomato sauce. And after dinner I'm going to bed. I've got a headache!

Bye for now.

Marion
