#### Text 1

There are plenty of old electric guitars around that could tell us some amazing stories about the musicians they belonged to or the concerts and tours they did if only they could speak. If you happen to have a guitar with an interesting history, why not share it with us? Next month, our magazine is holding a story contest, with lots of attractive prizes for the most exciting stories. Follow the link below to read the competition rules.

1 Text 1 is

A a report from a music event.

B an article about old electric guitars.

C an advert for a competition.
