Based on my survey, I found out that teenagers nowadays are interested in 1_____. Most teens spend their time blogging, surfing the Internet, social networking, watching videos, playing the guitar, doing sports and 2 _____ to music. Talking about entertainment, we can say that the Internet and television play the main role in a teenager's 3 _____. According to the results of the survey 4 _____ of the students in the class have their own TV. On average, they spend six hours 5 _____ TV screens every day. In addition, they spend plenty of time with eyes fixed on other screens. Every teen I spoke to owns a smartphone, and most own or regularly use a variety of devices, like gaming consoles, tablets or desktop computers. Youngsters spend about six hours a day on their phones. Teens do not only spend tons of time on the Net – they shop online too.

To sum up, like people of 7 _____ teenagers enjoy activities that bring pleasure or help to relax, such as watching television, seeing movies, listening to music, and playing computer games. 8_____, when they spend too much time watching films, they do not have much time to study or do other activities with their families. This survey made me 9_____ that practically no activities I do every day are good for my health and they are even dangerous. Therefore, now it is high time to 10_____ my way of life. I believe I should join a sports club or go dancing.
