

What's in fashion?

Describe each person in the photos in about 40 words.

Look at the way we use adjectives before nouns:

size + style + colour + pattern + clothes item

E.g. long + black and white + striped + shirt.

This is Susana Gimenez. She's a very famous Argentinean TV presenter. She's in her seventies. In this photo she's wearing a long black and white striped shirt, very tight patterned leggings, black sandals, sunglasses and a silver necklace.
