

Pete the cat

Rocking in my
school shoes

Pete goes to SCHOOL, rocking in his school shoes. First he enters the CLASSROOM, where he sees a blackboard, desks, chairs and his teacher. Then, he goes to a place full of shelves and books. It is the LIBRARY! He keeps on exploring and finds the place where the headmistress works, the HEADMISTRESS' OFFICE. Next to it, he discovers a place full of computers, the COMPUTER ROOM, and at the end of the corridor, a room full of bottles and experiments: the LABORATORY!

At midday, he starts feeling hungry, so he goes to a place with chairs, tables and lunchboxes to eat his lunch: the LUNCHROOM. When he finishes eating, he goes to play with his friends to an open space with slides and swings: the PLAYGROUND! The bell rings and the teacher asks Pete and his friends to get in the line, but Pete shouts: "Miss, I need to go to the TOILET!"

The teacher smiles and says: "Ok Pete, you may go to the toilet now, but remember, next time you have to go during BREAK!"

TRUE or FALSE? Choose the correct option and if it is FALSE, discuss the TRUE version with your class!

- 1- The space with the blackboard, desks and chairs is the CLASSROOM.
- 2- The space full of shelves and books is called COMPUTER ROOM.
- 3- The room full of bottles and experiments is the LABORATORY.
- 4- The open space with slides, swings and children playing is the PLAYGROUND.
- 5- The office where the headmistress works is called the LUNCHROOM.
- 6- The place full of chairs and tables where children eat is the LUNCHROOM.
- 7- Pete should go to the TOILET when the bell rings.
