

Dreams – Fleetwood Mac

Level: Elementary

**Choose the correct word
and Fill In**

Now here you **go / play** again
You say you want your **kingdom / freedom**
Well, who am I to **let / keep** you down?
It's only right that you should
Play / Say the way you feel it
But listen **carefully / sadly** to the sound
Of your **loneliness / happiness**
Like a heartbeat, drives you mad
In the stillness of **playing / remembering** what you had
And what you **love / lost**
And what you **had / said**
And what you **lost / love**

Thunder only happens when it's _____
Players only _____ you when they're _____
Say women they will come and they will _____
When the rain washes you clean, you'll _____
You'll _____

Now here I **go / do** again,
I see the **final / crystal** visions
I keep my **visions / views** to myself
It's only me who **needs / wants** to
Wrap around your **reasons / dreams** and
Have you any dreams you'd like to **sell / tell** ?
Dreams of **sadness / loneliness**
Like a heartbeat, drives you mad
In the stillness of remembering **what / when** you had
And what you **love / lost**
And what you **had / said**
And what you **lost / love**

[x2]

Thunder only happens when it's _____
Players only _____ you when they're _____
Say women they will come and they will _____
When the _____ washes you clean, you'll _____

You'll _____
You will know
Ooh, you'll _____
