Conditional sentences

(умовні речення)

Conditional sentences have two parts:

1 the conditional part (starting with IF) (умовна частина)

2 result part

If I had lots of money, I would travel around the world.

Condition(if) + result.

First conditional

1 We use first conditional to talk about possible or probable future situations.

I will talk to her if she goes to the party.

2 We use first conditional to make promises and give warnings.

I will help you if you buy me a coffee.

If you don't take a map, you will get lost!

IF + PRESENT SIMPLE, WILL + INFINITIVE (не змінене дієслово без частки to)

Second conditional

1 We use second conditional to talk about impossible or imaginary present or future situations.

I would buy a spacecraft if I became a billionaire.

2 We use second conditional to give an advice.

I wouldn't do that if I were you.

IF+ PAST SIMPLE, WOULD + INFINITIVE
