Anne Frank

Annelie Marie Frank was born 🦵 on June 12, 1929. She was born in Frankfurt, **Germany** 🇩🇪 . Her family moved 🧳 to Holland 🇳🇱 because the **Nazis** 🔴 **wanted to eliminate** 🔫 **all** the ✡ **Jews**. Nazis put Jews into <u>concentration camps</u> 🏛 of torture and they killed lots of Jews too.

On July 6, 1942, Anne and her family <u>hid</u> **from the Nazis in a secret attic** 🏨 in the office of her father. They stayed in the attic for 25 months 📅 . The **Nazis discovered** 🔍 **Anna and her family** and they were sent to the Westerbok concentration camp. Some members of the family were separated 👥 and sent to another concentration camp, Auschwitz in 1944. Later, Anna and her sister Margot were moved to the concentration camp Bergen-Belson. **Anne died** 🏛 **there in March 1945**.

Later, after her death, a woman 👩 named Miep Giles discovered 🔍 a diary 📕 in the attic where Anna Frank lived. It was **Anne's diary!** 📕 In 1947, the diary was published and translated in 67 languages 💬 . The diary became very famous in lots of countries around the 🌍 world. Anne Frank was an amazing and very 👻 brave woman!
