

Unit 3

Travelling

- We are still fighting the Coronavirus, but we can still travel taking the necessary precautions. Read the following dialogue between two friends. One is travelling and needs advice from the other friend.

Maxi: Good morning, Leonor. I really need a favor.

Leonor: Sure. What can I do for you?

Maxi: Well, I booked tickets to visit Italy. Do you think I need to take something special on the plane?

Leonor: Well, the first thing you should do is to make sure Italy is accepting visitors at this time. If I were you, I'd call the Italian Consulate to gather information.

Maxi: I didn't think of that! Do you think I need a visa to go there?

Leonor: I am not sure. Why don't call the Italian Consulate?

Maxi: I am too busy. Can you do me a big favor? Could you please call the Consulate for me?

Leonor: You need to call in case they need personal information from you.

Maxi: Fair enough. Thanks for nothing. (he hangs up the phone)

Leonor: Hello??
