

Speaking : Describing pictures

In this picture I can see a family having a picnic. They are eating some fruit and drinking some juice. They are in a garden in front of a house. The parents are in their thirties, their son is around 10 years old and their daughter is a teenager. The photo was taken in summer because they are wearing t-shirts and shorts and it's sunny. In the bottom left corner there is a basket and in the background I can see some trees. They seem to be having a good time. It looks a peaceful place.
