History

Ancient Egyptians

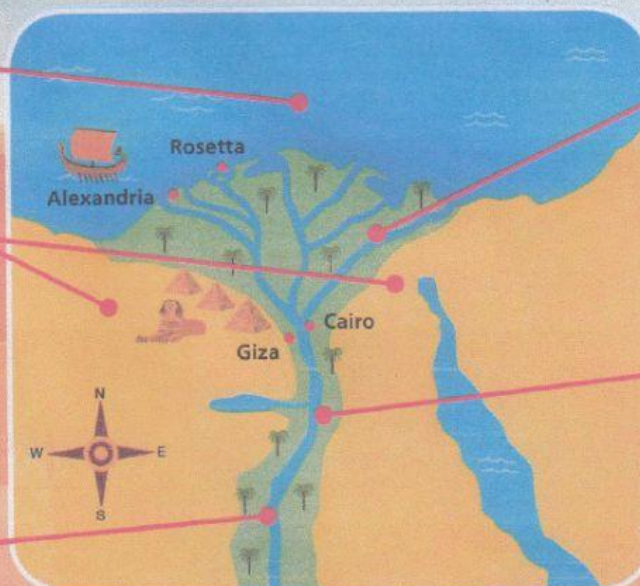

Egypt is in **Africa**. The **River Nile** is in Egypt.

In the north
there is the vast

On both sides of
the River Nile there
is only

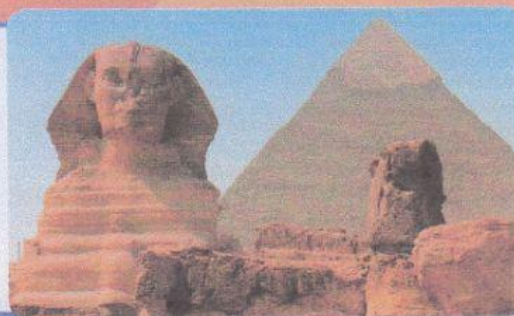

Ancient Egyptians
along the Nile
in boats of
leaves and they catch
fish in the river.

Ancient Egyptians
build their
and **villages** along
the River Nile.

The
near the river
**is very rich
and fertile** and
Egyptians can
grow cereals and
vegetables.

Giza is a city famous for its three great pyramids. The pyramids are the stone tombs of Egypt's pharaohs. '**Pharaoh**' is the name of the king of Egypt, he is half-man and half-god. In Giza there is the famous **Sphinx** with a human face and a lion's body.
