

# MONEY PERSONALITIES

**Direction:** Which money personality do you have? What about your parents? What about your siblings? What about your best friends?

## The Idealist

They are aware that money is a necessary part of life, but they'd rather not get bogged down with it.

## The Stockpiler

They are always saving for a rainy day, just in case.

## The Hedonist

They know how to enjoy life. Money's not going to get in the way of their freedom.

## The Celebrity

Why settle for the ordinary when they can buy themselves the extraordinary?

## The Nurturer

Their savings provide for the people they love if they ever find them in a pinch.

## The Conqueror

Making money comes naturally to them because work is the love of their lives.
