

The Best Day

Taylor Swift

I'm **five / seven** years old
It's getting **cold / hot**
I've got my big **coat/ socks** on

I hear your **laugh / cry**
And look up smiling at **you / me**
I run and **run / jump**
Past the **pumpkin / carrot** patch
And the tractor rides
Look now, the sky is **gold / silver**
I hug your **legs / arms**
And fall asleep on the way home

I don't know why all the trees change in the **fall / winter**
But I know you're not scared of anything at all
Don't know if Snow White's house is near or far away
But I know I had the best day with you **today / yesterday**

I'm **thirteen / thirty** now
And don't know how
My friends could be so **mean / thin**
I come home **crying / laughing**
And you hold me tight
And grab the **keys / wallet**

And we **drive / ride** and **drive / dive**
Until we found a **town / house** far enough away
And we **talk /walk** and window shop
'Till I forgotten all their names

I don't know who I'm gonna talk to now at **school / noon**
But I know I'm **laughing / crying**
On the car ride home **with / at** you
Don't know **how long / how far** it's gonna take to feel okay
But I know I had the best day with you **today / yesterday**

I have an excellent **father / uncle**
His strength is making me **stronger / weaker**
God smiles on my little **brother / sister**
Inside and out he's better than I am
I grew up in a **pretty / ugly** house
And I had space to run and I
had the best days with you

There is a video I found
From back when I was **three / thirteen**
You set up a paint set in the **kitchen / garage**
And you're talking to me
It's the age of princesses and pirate ships
And the seven **dwarfs / giants**
And Daddy's **smart / dumb**
And you're the prettiest lady in the whole wide **world / block**

And now I know why the all the trees change in the fall
I know you were on my side
Even when I was **wrong / false**
And I love you for giving me your **eyes / nose**
Staying back and watching me shine and

I didn't know if you knew
So I'm taking this chance to **say / play**
That I had the best **day / year** with you today.
