

Level of Concern by Twenty-One Pilots

1) Listen to the song and choose the word you hear:

Panic on the brain, world has gone **insane/ crazy**
Things are starting to get **heavy / serious**, mm
I can't help but think I haven't felt this way
Since I asked you to go **out/ steady**

Wonderin', would you be, my little **quarantine/ isolation**?
Or is this the way it ends?

'Cause I told you my level of concern
But you walked by like you never **heard / listened**
And you could **lower/ bring down** my level of concern
Just need you to tell me we're alright, tell me we're okay

Panic on the **mind / brain**, Michael's gone insane
Julie starts to make me **crazy/ nervous**
I don't really care what they would say
I'm asking you to **stay / leave**
My bunker underneath the **ground/ surface**

2) Listen and fill in the gaps

Wonderin', would you be, my little _____?
Or is this the way it _____?

'Cause I told you my level of concern
But you walked by like you never _____
And you could bring down my level of concern
Just need you to tell me we're alright, tell me we're okay, yeah

Tell me we're alright, tell me we're okay, yeah
Tell me we're alright, tell me we're okay
Bring down my level of _____
Just need you to tell me we're alright, tell me we're okay, yeah

'Cause I told you my level of concern
But you walked by like you never heard
You could bring down my level of concern
Just need you to tell me we're alright, tell me we're okay

I _____ you to tell me we're alright, tell me we're okay
Need you to tell me we're alright, tell me we're okay
I _____ you to tell me we're alright, tell me we're okay
Need you to tell me we're alright, tell me we're okay

Need you now
I need you now

'Cause I told you my level of concern
But you _____ by like you never _____
And you could _____ my level of concern
Just need you to tell me we're alright, tell me we're okay, yeah

Tell me we're alright, tell me we're okay, yeah
Tell me we're alright, tell me we're okay
You could bring down my level of concern
Just need you to tell me we're alright, tell me we're okay, yeah

In a world, where you could just lie to me
And I'd be okay, we'll be okay
(My level of concern) we're gonna be okay
(Just need you to tell me we're alright, tell me we're okay)
(I need you)
