

Activity 1: Choose the correct answer:

1. What are courts?
2. What are laws?
3. What are the penalties if someone breaks the law?
4. What do councils do?

Activity 2: List examples of what courts do

- A person has stolen some money and got caught.
He is taken to court where the judge will decide if he is guilty or not.
- An injured worker whose company refuses to cover the medical expenses takes the company to court.
