

Read the text and guess the meaning of words in **bold** and choose the right title for each paragraph.

Easter is a spring festival of new life. As a **pagan tradition**, it is the beginning of growth and new life after the cold, winter months. The name comes from the Anglo-Saxon goddess of the dawn and spring – Eostre. For Christians, Easter celebrates the **resurrection** of Jesus Christ and practicing Christians attend special church services at Easter time. Easter celebrates life and rebirth, which is why we see lots of symbols of new life and fertility at Easter, like eggs, chicks and rabbits.

Easter isn't on the same date each year. It takes place on the first Sunday after the first full moon of spring. Schoolchildren and students in the UK have about a two-week holiday at Easter time, which is almost as long as the Christmas holiday. It's also the first public holiday after Christmas and everyone looks forward to their Easter break as a moment to relax, have a short holiday or visit family and friends.

For most British children, Easter means chocolate Easter eggs. The shops are full of bright Easter displays decorated with chicks, rabbits and flowers, all with the objective of selling chocolate eggs in huge numbers. And it works! 90 million chocolate eggs are sold in the UK each year.

However, the eggs are sold in cardboard boxes and sometimes there's more packaging than chocolate! Also, some people believe that too much chocolate is eaten and most doctors and dentists would advise people to eat Easter eggs in **moderation**.

In the UK, chocolate is definitely the most popular way to enjoy eggs at Easter. But there are some less sugary traditions too. Chickens' eggs are painted and decorated to give as presents and eggs are also hidden for children to find as part of an 'egg hunt'. Some places even hold competitions to see who can roll and eggs down a hill without it breaking!

There are other special foods too. Hot cross buns are typical cakes that are made at Easter time. They are spiced bread rolls with **raisins** and they always have a cross shape on top. They are delicious toasted with butter.
