

Name _____

General Journal Exercise

For this assignment, you will create a **general journal** for a brand new business, **Goldkind Legal Services**, a sole proprietorship owned by Barry Goldkind. Your journal will contain four columns: **date**, **particulars**, **debit** and **credit**.

You will then **journalize the below transactions** for the firm using the account names most often associated with each particular transaction. Each transaction is represented by a particular **source document**. **Sales taxes (HST of 13%)** are included with respect to specified sales and purchases.

The transactions of the firm for the month of **June, 2019** in **chronological order**, are as follows:

JUNE 2019 TRANSACTIONS

1 Written memo, opening entry representing starting bank balance of \$6,000, supplies worth \$4,000, furniture worth \$12,000 and a starting bank loan of \$10,000.

4 Sales invoice #101, \$800 plus HST, client L. Skywalker for services provided

5 Purchase invoice #101, \$300 plus HST, office furniture from The Brick

9 Bank debit memo, \$24 (tax exempt), monthly bank service charges

11 Bank credit memo, \$450, investment interest earned

14 Cash sales slip #101, \$3,000 plus HST for services provided

16 Debit card receipt #101, \$50 plus HST, cash purchase of supplies

19 Cheque copy #101, \$339, payment of outstanding account to The Brick re: purchase invoice #101

21 VISA credit card receipt #101, \$900 plus HST, purchase of office supplies from Staples
