

Match the pictures to the captions. Write the correct number. You can use them more than once.

- A. Uncle Jack and the children could see the problem. There was a strip of ground which was mud and not snow!
- B. The snow making machine dropped water. It turned into snow.
- C. Uncle Jack was tall and thin
- D. Uncle Peter was short with curly blonde hair.
- E. Grumpy didn't like penguins. Penguins could walk and swim!
- F. Now we know what the problem is.
- G. The balloon with Uncle Jack and the children flew over the ground.
