

I thought I saw the **devil** / **evil** this morning
Looking in the **mirror** / **window** drop of rum on my tongue
With the warning to help me see myself clearer
I never meant to start a **fire** / **fight**
I never meant to make you **bleed** / **breath**
I'll be a better man today

I'll be good, I'll be good
And I'll love the world, like I should
Yeah, I'll be good, I'll be good
For all of the times that I never could

My past has tasted **bitter** / **better** for years now
So I weild an iron fist
Grace is just weakness
Or so I've been told
I've been cold, I've been merciless
But the blood on my hands **cares** / **scares** me to death
Maybe I'm **making up** / **waking up** today

I'll be good, I'll be good
And I'll love the world, like I should
I'll be good, I'll be good
(I'll be good, I'll be good)

For all of the **tight** / **light** that I've shout out
For all of the innocent things that I've doubt
For all of the bruises that I've caused in the **years** / **tears**
For all of the things that I've done all these years, for all
Yeah, for all the sparks that I've stomped out
For all of the perfect things that I've doubt

I'll be good, I'll be good
And I'll love the world, like I should
Yeah, I'll be good, I'll be good
For all of the times I never could
Oh, oh, oh x3
For all of the times I never could
