

1. Choose the correct word.

## Symptoms of a cold

2. Organize the conversation by writing numbers.

☐ I feel terrible!

☐ Oh, dear. What symptoms do you have?

☐ I have a headache, earache, watery eyes, and a runny nose.

☐ Why? What's the problem?

☐ I **might** have a cold! I'm not so sure.

☐ Then **you should** not eat cold things.

☐ Lucky you!

☐ That's horrible!

☐ Yes, I am in bed. I can't go to school because I have a fever. I even have a toothache! My teeth hurt because of the fever.

☐ I'm fine!

☐ I am not hungry, anyway. I have a cough and a sore throat. I can't speak!

☐ Yes, you have a cold. **You should** stay home and call the doctor now, or you'll get much worse.

☐ And you?

☐
