

**You need to describe a hotel where you have stayed.**

***Describe the following information to help with your task:***

1. Name and location of the hotel. If this is a 4-star/5-star hotel, mention that as well.
2. Specify the reason you stayed there.
3. How long you stayed there.
4. What type of room you stayed in and the facilities you got from the hotel.
5. Mention if this was the first time you stayed there or went there before.
6. Say if you have stayed there on your own choice or because the trip planner, office authority arranged that.
7. Give some interior and exterior description as well as the surrounding of the hotel.
8. There must be some distinctive points and things about the hotel; mention those. For instance: the food was delicious, the cost was very reasonable, they offered some free services, the location was excellent, the staff were very cordial etc.
