READING

2. Read the article. Then choose the correct answers.

Are Americans TV addicts?

How many hours do you watch TV a day? Two? Six? Ten? An average American watches TV for about 35 hours every week. That's five hours a day for seven days! They have dinner in front of the TV, they work in front of the TV, and sometimes they even sleep in front of the TV!

Americans usually watch TV in the evening. Evening shows, such as sitcoms and reality shows, are sometimes on TV once a week, sometimes every night. On the night of their favorite show,

some people don't go out or answer the phone. They don't even talk to family members during the show. About 59 percent of Americans watch TV and go on the Internet at the same time.

Television is an important part of American life. A lot of people talk about their favorite shows all the time – at work, at school, and on the phone. Many people write about popular TV shows on social networking sites.
