Relative Frequency Tables

Frequency and Relative Frequency Tables:

What is the difference between a **frequency table** and a **relative frequency table**? What information does a relative frequency table provide us with that a frequency table does not?

Calculating Relative Frequencies:

Use your knowledge of relative frequencies to calculate the relative frequencies below. Then, draw conclusions based on the data.

Electronic Devices Owned	Number	Rel. Fre.
iPad	10	
Laptop computer	20	
Desktop computer	5	
Television	15	
Smartphone	20	
E-reader	2	
Nintendo 3DS	8	
PlayStation 4	10	
Total	90
