Reading : Read the text and choose the best answer to the questions below : (6x3=18)

The amount of sleep each person needs depends on many factors, including age. Infants generally require about 16 hours a day. For most adults, seven to eight hours a night appears to be the ideal amount of sleep, although a few people may need as little as five hours' sleep or as much as ten hours' sleep each day.

- Getting too little sleep creates a sleep debt, and eventually, your body will demand that the debt be repaid.
- A large number of people over 65 have frequent sleeping problems, such as insomnia, and deep sleep stages in many elderly people often become very short or stop completely.
- Microsleeps, or very brief episodes of sleep in an otherwise awake person, are another mark of sleep deprivation.
- The widespread practice of burning the candle at both ends in western

industrialized societies has created so much sleep deprivation that what is really abnormal sleepiness is now almost the norm. ❸

32. According to the passage who needs most sleep?

- A. Infants B. Most adults C. A few people
D. Elderly people E. Teenagers

33. Look at the five circles [❶❷❸❹❺] that indicate where the following sentence can be added to the passage and choose the correct answer.

In many cases, people are not aware that they are experiencing microsleeps.

- A. 1 B. 2 C. 3
D. 4 E. 5

34. All of the following are true EXCEPT :

- A. The amount of sleep depends on people's age.
B. The amount of sleep depends on people's geographical areas.
C. Getting too little sleep creates a sleep debt.
D. A few people may need a little as five hours' sleep per day.
E. A large number of elderly people have sleeping problems.

35. The word 'eventually' in sentence 4 is closest in meaning to

- A. suddenly B. gradually C. continuously
D. abruptly E. finally

36. It can be inferred from the passage that a large number of elderly people

- A. require about sixteen hours of sleep every day
B. are aware that they are experiencing microsleeps
C. suffer from sleeping problems, such as insomnia
D. have created much sleep deprivation
E. burn candles

37. What is the best summary of the passage?

- A. The amount of sleep each person needs doesn't depend on age factor.
B. Getting too little sleep creates sleep disturbances.
C. It needs to burn the candle at both ends.
D. Enough sleep in our life is now almost the norm.
E. Without enough sleep elderly people are becoming very short.

Part Two
