Hi Molly,  
Greetings from Australia! We're having a fantastic time here. Today, it's hot and sunny and we are at the beach. I'm sunbathing and my sisters are making a sandcastle. Dad and Meruert are windsurfing. Some people are swimming and others are playing beach volleyball or sailing their boats. We all love it here! See you when we get back.

Hi Will,  
We're having a wonderful time here at Shymbulak in the Zaili Alatau Mountains in Kazakhstan. It's a beautiful place and there is snow everywhere! It's freezing cold, but the sky is blue and the sun is shining. Assel and Sanzhar are skiing at the moment. My lesson is this afternoon, so I'm having a hot chocolate now. We're having lots of fun.  
Talk to you soon.  
Berik

**C** Saturday 11th July

Hi Barney,  
Hello from Thailand. The weather's strange here but we're having a wonderful time! It's warm and sunny today, but it's often cloudy and rainy. Saule and Nurlan are visiting the floating market, and Nurzhan and I are having a snack. It's great. This is an amazing country. We love it.  
Take care.  
Ruslan
