

1- FOLLOW THE LINE, DRAG AND DROP

What's your name?

What is it?

How old are you?

Who is she?

How are you?

What color are these?

Is it a book?

Is it a pencil?

The exercise consists of seven question boxes at the top and seven dashed rectangular boxes at the bottom. Lines connect the questions to the boxes: 'What's your name?' connects to the top-left dashed box; 'What is it?' connects to the top-right dashed box; 'How old are you?' connects to the second dashed box from the top-left; 'Who is she?' connects to the third dashed box from the top-left; 'How are you?' connects to the fourth dashed box from the top-left; 'What color are these?' connects to the fifth dashed box from the top-left; and 'Is it a book?' connects to the bottom-right dashed box. The boxes for 'Is it a book?' and 'Is it a pencil?' contain illustrations of a book and a pencil respectively.
