

# Compare and Contrast

## Reading comprehension

When we **compare** things, we tell how they are the **same**.

When we **contrast** things, we tell how they are **different**.

Read the story. How are billy and Ron alike? How are they different?

Billy and Ron are brothers. Billy is 5 years old. Ron is 7 years old. One day their mom took them to the zoo. Billy wore his red cap, and Ron wore his blue cap.

They had fun watching all the animals. Ron liked the monkeys the best. He wanted to stay and watch them some more, but Billy wanted to go see the elephants. Elephants were Billy's favorite.

Their mom said it was time to go see the elephants, and Ron was sad. But their mom said they could come back and see the monkeys again before they left the zoo. Billy and Ron had a great day at the zoo.
