

Stay by Rihanna

Listen to the song and fill in the gaps with the verbs in brackets in the correct form (present simple)

All along it was a fever
A cold sweat hot-headed believer
I threw my hands in the air I said show me something
He said if you dare come a little closer

Round and around and around and around we 1)..... (go)
Oh, now, tell me now, tell me now, tell me now you know

Not really sure how to feel about it
Something in the way you 2) (move)
Makes me feel like I can't live without you
And it 3) (take) me all the way
I 4) (want) you to stay

It's not much of a life you're living
It's not just something you take, it's given
Round and around and around and around we 5) (go)
Oh, now, tell me now, tell me now, tell me now you know

Not really sure how to feel about it
Something in the way you 6)..... (move)
Makes me feel like I can't live without you
And it 7)..... (take) me all the way
Now I 8) (want) you to stay

Ohhh, the reason I hold on
Ohhh, 'cause I 9) (need) this hole gone
Funny you 10) (be) the broken one but
I'm the only one who needed saving
'Cause when you never see the light
It 11)..... (be) hard to know which one of us is caving

Not really sure how to feel about it
Something in the way you 11) (move)

Makes me feel like I can't live without you
And it 12)..... (take) me all the way
I 13).....(want) you to stay
