

93 Million Miles by Jason Mraz

Fill in the gaps with: NEVER, ALWAYS, SOMETIMES

93 million miles from the sun
People get ready, get ready
Cause here it comes, it's a light
A beautiful light, over the horizon
Into our eyes
Oh, my, my, how beautiful
Oh, my beautiful mother
She told me, son, in life you're gonna go far
If you do it right, you'll love where you are
Just know, wherever you go
You can _____ come home

240 thousand miles from the moon
We've come a long way to belong here
To share this view of the night
A glorious night
Over the horizon is another bright sky
Oh, my, my, how beautiful,
Oh, my irrefutable father
He told me, son, _____ it may seem dark
But the absence of the light is a necessary part
Just know, you're _____ alone,
You can _____ come back home
You can _____ come back

Every road is a slippery slope
But there is _____ a hand that you can hold on to
Looking deeper through the telescope
You can see that your home's inside of you
Just know, that wherever you go,
No, you're _____ alone,
You will _____ get back home
93 million miles from the sun
People get ready, get ready
Cause here it comes, it's a light
A beautiful light, over the horizon into our eyes
