

93 Million Miles by Jason Mraz

Fill in the gaps with: NEVER, ALWAYS, SOMETIMES

93 million miles from the sun

People get ready, get ready

Cause here it comes, it's a light

A beautiful light, over the horizon

Into our eyes

Oh, my, my, how beautiful

Oh, my beautiful mother

She told me, son, in life you're gonna go far

If you do it right, you'll love where you are

Just know, wherever you go

You can _____ come home

240 thousand miles from the moon

We've come a long way to belong here

To share this view of the night

A glorious night

Over the horizon is another bright sky

Oh, my, my, how beautiful,

Oh, my irrefutable father

He told me, son, _____ it may seem dark

But the absence of the light is a necessary part

Just know, you're _____ alone,

You can _____ come back home

You can _____ come back

Every road is a slippery slope

But there is _____ a hand that you can hold on to

Looking deeper through the telescope

You can see that your home's inside of you

Just know, that wherever you go,

No, you're _____ alone,

You will _____ get back home

93 million miles from the sun

People get ready, get ready

Cause here it comes, it's a light

A beautiful light, over the horizon into our eyes
