

## PREPOSITIONS AND KINDS OF PREPOSITIONS

Watch the above video and fill in the blanks with appropriate prepositions.

(I)

"Anybody can become angry - that is easy; but [ ] be angry [ ]  
the right person, and to the right degree, and [ ] the right time,  
and [ ] the right purpose, and [ ] the right way - that is not  
[ ] everybody's power and is not easy." - Aristotle

(II)

Almost all [ ] us have suffered from a headache sometime or the  
other. Headache is an almost universal phenomenon. The most  
important step to cope [ ] headache is to identify the type of  
headache one is suffering [ ] . Most headaches are either ignored  
or treated [ ] the patient himself.
