

# 1

# Expressing opinions.

Read the following opinions and then listen to them being said. Decide which of the adverbs in the box best describes how each of the opinions is expressed. Write the letter of the adverb in the space provided. Then practise saying the sentences with a partner.

 slowly

 quietly

 loudly

 happily

1

The Chinese Opera was an amazing experience, but I think that the noise was really deafening.

2

The silent movies were the best, because actors expressed themselves through their faces and actions.

3

I cried with laughter when I saw those cockroaches on stage. What a great idea!

4

Those shadows from the puppets really made the story feel very mysterious. I felt as if I were somewhere else and not in my chair.
