

A 3x2 grid of six stylized, rounded characters resembling the 'Among Us' game characters. Each character is a different color: blue, red, pink, light blue, orange, and teal. They all have a large, white, oval-shaped visor on their face and a small, dark, rectangular shape on their back. The characters are arranged in two rows of three, with the blue and red characters in the top row, the pink and light blue characters in the middle row, and the orange and teal characters in the bottom row. They are all facing forward and standing on a light gray surface.

AMONG US ROJO	45
AMONG US ROSA	145
AMONG US AZUL	
AMONG US TURQUESA	
AMONG US NARANJA	
AMONG US BLANCO	

- Calcula el triple del amoung us **rojo** y obtendrás el valor del amoung us **blanco**
- Al valor del amoung us **blanco** tienes que restarle 80 y ese será el valor del amoung us **azul**.
- Al valor del amoung us **azul** súmalo el valor del amoung **rosa** y conocerás el valor del amoung **turquesa**.
- Multiplica x9 el amoung us del color **turquesa** súmalo 38 y conocerás el valor del amoung us **naranja**.
