

2 The future of the Nupika Valley (future with *will*)

In five years' time, the Nupika Valley will look very different.

A dam ¹¹ *will be built* (build) across the river and the valley and a huge lake ¹² (create)

behind the dam. The water ¹³ (use)

to produce electricity. The whole valley ¹⁴ (flood) by the lake, so all the houses and

farms ¹⁵ (cover) by water. The

government says that a new village ¹⁶ (build), but the local people are very angry. A campaign

¹⁷ (organize) to protest against the plan. The local people hope that the dam

¹⁸ (stop)

and their homes

¹⁹ (save).
