

2. おじいさんはどんな生活^{せいカツ}をしましたか。

どちらですか。

例) (1) (2) (3)

The comic panels are arranged in a grid-like fashion with arrows indicating a sequence. Panel (1) is divided into two parts: (a) shows a character with a backpack going to school, and (b) shows a character going to a city. Panel (2) is divided into two parts: (a) shows a character studying, and (b) shows a character working at a night market stall. Panel (3) is divided into two parts: (a) shows a character saying 'Bonjour', and (b) shows a character hugging a friend.
